Association of Washington School Principals

Courtyard Paver Project

AWSP invites you to participate in a project that will forever link principal leadership of the past to principal leadership of the future.

The Courtyard Paver Project is an effort by the Washington School Principals' Education Foundation to honor educational leaders in a very visible way. For just $50, you can inscribe a brick with a name or personal message for display in the Principals' Courtyard, located in the entryway to the Principal Center in Olympia.

In years to come, visitors will see your name–or that of another honored educator–and recognize your commitment to this profession. Your gift will also help support the Washington School Principals' Education Foundation, which provides professional development activities for educators at the Principal Center.

These customized pavers allow you to capture the spirit of the principalship and commemorate school leadership. Participating in the Principals' Courtyard is a great way to honor retirees, special projects or other remarkable acts and events.

How will principals benefit from The Principal Center? Your courtyard paver contribution* will:

- Foster principal recruitment
- Expand professional development
- Enhance legislative action
- Enhance principal leadership assessment
- Provide opportunities for networking

*This is a tax-deductible donation.

HELP BUILD OUR LEGACY ONE BRICK AT A TIME!
