Washington Students Selected for United States Senate Youth Program **-- Students Headed to Washington, D. C. and to Receive \$5000 Scholarship--**

Senators Patty Murray and Maria Cantwell today announced the names of the two students who have been selected as delegates to the 49th annual United States Senate Youth Program (USSYP) that will be held March 5 – 12, 2011 in Washington, D.C. Noel Gutierrez-Morfin of Pasco and Vietkhanh (VK) Vu of Everett were chosen from across the state to be part of the group of 104 student delegates who will attend the program's 49th annual Washington Week.

The USSYP was created by Senate Resolution 324 in 1962 and has been sponsored by the Senate and fully funded by The Hearst Foundations since inception. Originally proposed by Senators Kuchel, Mansfield, Dirksen and Humphrey, the impetus for the program as stated in Senate testimony was "to increase young Americans' understanding of the interrelationships of the three branches of government, the caliber and responsibilities of federally elected and appointed officials, and the vital importance of democratic decision making not only for America but for people around the world."

Each year this extremely competitive merit-based program brings 104 of the most outstanding high school students — two from each state, the District of Columbia and the Department of Defense Education Activity — to Washington, D.C. for an intensive week-long study of the federal government and the people who lead it. The overall mission of the program is to help instill within each class of USSYP student delegates more profound knowledge of the American political process and a lifelong commitment to public service. In addition to the program week, The Hearst Foundations provide each of the 104 student delegates with a \$5,000 undergraduate college scholarship with encouragement to continue coursework in government, history and public affairs. Transportation and all expenses for Washington Week are also provided by The Hearst Foundations, as stipulated in S.Res.324; no government funds are utilized.

Noel Gutierrez-Morfin is president at Pasco High. Co-captain of the Speech and Debate Team, he also participates in the Wind Symphony, Jazz and Marching Bands. He is this year's drum major. In addition, Noel is a member of Link Crew, Key Club, National Honor Society, and the Tri-Cities Black Belt Academy.
