Making The New Teacher Evaluation System Work: Supporting the Professional Growth of Teachers

5 Steps Every Leader Needs to Improve Instruction School-Wide

By Heather Knight, President, Leadership Innovations Team

Develop common tools and a framework for effectively coaching conversations to support teachers in identifying and implementing learning experiences aligned with best practices.

Skills and information you will walk away with:

- How to use a five-step process, The Cycle of Powerful Coaching, to ensure every instructional conversation is highly effective with measureable results
- Two essential skills of highly effective coaches—deep listening and powerful questioning
- Tools for ensuring teachers' goals will be highly impactful to student success
- And much, much more!
