Summer CheerLeadership Camp 2012

PROGRAM OVERVIEW

Washington Student Leadership

Sponsored by the Association of Washington School Principals

2012 Summer Schedule

Two sessions of CheerLeadership Camp will be held in 2012. CheerLeadership Camp blends leadership training with important technical cheer skills and prepares delegates for the most visible role on campus—CHEERLEADING!

Mascot training is available both weeks.

Session I – July 16-20 (Monday-Friday)

Shari Parsons, Director – Greg Brown, Assistant

Session II – July 23-27 (Monday-Friday)

Kim Mayer, Director – Lori Leach, Assistant

Who should attend CheerLeadership Camp?

School Cheer Squads

Camp is designed for public and private school cheer squads. All attendees must be registered as part of an official school delegation. (Note: Ideally the full squad would attend camp together, however if budgets are tighter than usual consider sending your captains. They will gain valuable skills they can teach to the rest of the squad.)

Squad Size

CheerLeadership Camp serves squads of all sizes. In 2011 our largest squad had 27 members and our smallest had four. Regardless of size our two staffs will work together to make the camp experience valuable, exciting and rewarding.

Dynamic Coaches Workshop..You won't want to miss!

Two successful and highly respected cheer coaches in Washington— **Pam Headridge** (Washington Cheer Coaches Association) and **Dave Pilcher** (Heritage High School) — will team up to lead the Coaches Workshop for both sessions! The combined talent, experience and knowledge that Pam and Dave bring will make this the best possible training for new and veteran coaches. Twenty clock hours are available for attending the coaches workshop.

How do I get there?

Charter bus service to and from camp is available for an additional fee. Delegates may be transported to CheerLeadership Camp by a school official, a parent or an adult authorized by the school. **Student drivers are NOT allowed.**

What facilities are used for CheerLeadership Camp?

Both sessions are held at Central Washington University in Ellensburg, WA. Sessions take place in the air-conditioned gymnasium and outside on spacious grassy areas. Meals are served in the state-of-the-art Student Union and Recreation Center. Students live in college dormitories and coaches are housed in separate apartment-style dorms. Evening supervision of the squads is provided by the Leadership Staff. Coaches will have the opportunity to check-in with their squad in their assigned dorm prior to lights-out each evening.

Who are the staffs?

CheerLeadership Camp is run by two trained staffs. The **Leadership Staff** is comprised of educators and experienced coaches who are experts in crowd involvement, team building, squad unity and problem solving. The leadership staff is also responsible for dorm supervision and safety of the delegates. The **NCA Staff** is made up of talented, trained college cheerleaders equipped to teach proper technique, stunting and safety. The two staffs work together to ensure a positive, powerful week!

How does CheerLeadership Camp compare to other NCA camps?

At CheerLeadership Camp you will receive all of the same cheer and stunt instruction as other NCA camps in Washington. NCA awards, trophies and honors are the same as other NCA camps. You also have the opportunity to earn leadership awards as you apply your new skills throughout the week. Squads are challenged to reach their next level of success – from basic through elite.

Why should I attend?

School principals recognize the important role cheerleaders play in a school— both as leaders and athletes. To provide training for this dual role, the Association of Washington School Principals (AWSP) sponsors CheerLeadership Camp, which blends leadership training with important technical cheer skills. Make a difference for yourself and others...register for CheerLeadership Camp now!
