Dear Parent/Guardian:

The Chewelah Peak Leadership Camp that your son or daughter will be attending is sponsored by the Association of Washington School Principals and is one of eight high school camps. This summer marks the 6<sup>th</sup> year for Chewelah Peak. Our goal is to develop the leadership potential of outstanding high school students from all areas of Washington.

Our staff consists of teachers, counselors and administrators from schools throughout the state. With over 80 years of experience teaching leadership, we are committed to providing a leadership experience that is rewarding for all involved.

Please help us by clearing your son/daughter's calendar for the entire week. It is extremely disruptive to all when we lose individuals in the middle of camp to other commitments. It significantly reduces the total educational experience of the program. Delegates tell us the best parts of the week are the activities on days four and five!

We have a nurse available 24 hours a day. Please make sure we are aware of all allergies, health conditions and concerns. If it becomes necessary for a delegate to return home because of an illness, parents are responsible for picking up their child at camp.

Discipline is rarely a problem. It should be noted that usual school rules apply. Drinking, illegal substances, smoking, weapons, or fighting will not be tolerated. Any explicit dancing of a sexual nature or unwanted physical contact is prohibited at camp because it creates a hostile environment and is sexual harassment. Even though it is summer, please also remind your son or daughter that clothing packed for camp should also be clothing that would be appropriate to wear to school.

We are looking forward to the arrival of all our campers at 2:00 pm on August 3<sup>rd</sup>, (dinner is our first camp meal), and having the opportunity to watch their leadership skills grow in just five short days! Our camp will close at 12:00 pm, August 7<sup>th</sup> with a sack lunch to go. Please contact me if you have any questions. I am eager to work with your son/daughter this summer.
