1. Should you be selected for this position, please tell us about the person who will be joining our leadership team.

   Emerging 1  Competent 3  Exemplary 5

2. Probably nothing is more important to students, staff, and parents than the culture of the school. What are the attributes of school culture that are important to you? How would you as the leader establish or enhance the school culture for faculty and students?

   Emerging 1  Competent 3  Exemplary 5

3. Helping teachers improve their practice so they can help students improve their learning is the most important responsibility of the school leader. As the person responsible for the supervision of teaching and learning in your school, how would you help teachers to improve their practice?

   Emerging 1  Competent 3  Exemplary 5

4. School improvement planning and implementation is a critical activity in the quest to improve learning for all students. As the building leader how would this process work in your school? What are the critical elements which need to be included in a school improvement plan? What data for you in the most important for consideration?

   Emerging 1  Competent 3  Exemplary 5
5. Engaging parents as meaningful partners in the learning of their child is critical to a high achieving school. How would you effectively engage parents in this important work? How would you modify your efforts to engage parents based on the diversity of the student population?

6. The personal safety of students and staff is very important. What are some key considerations when designing a school safety plan?

7. Sometimes the building leader is “caught” between the initiatives of the district and the priorities of the staff (and your own priorities). How would you navigate these opposing views or interests?

8. How would you organize your work time as a school leader between leadership and management responsibilities?

9. What is an emerging issue in education that will impact your role as a building leader? How will you prepare yourself to meet this issue?
10. The most challenging ethical dilemmas you face as a leader are the “right v. right” type. What is your framework for deciding these sort of dilemmas? Please give us an example.
